Key Knowledge: Child: France, Canada, Belgium and some countries in Africa use French as their first language. Teacher:	Key Knowledge: Child: France, Canada, Belgium and some countries in Africa use French as their first language. Teacher:	Key Knowledge: Child: French is spoken all over the world. Teacher:

As above.	As above.	The majority of countries that were part of the French empire still use French as their first language now.
<u>Suggested Activity:</u> Resources Link: https://www.kapowprimary.com/subjects/french/upper-key-stage-2/year-5/french-speaking-world/lesson-1-directions-in-french/ Introduce the words for the directions in French – don't tell them which is which, show the compass on the slides. Can the children match them up? Then show the slide with the intermediate compass points – can the children guess how to combine the words to make these points? Play the compass points game. Call out a direction, children use their arms to show which it is. Children create compass spinner activity – you need split pins.	<u>Suggested Activity:</u> Resources Link: https://www.kapowprimary.com/subjects/french/upper-key-stage-2/year-5/french-speaking-world/lesson-1-directions-in-french/ Remind them of the compass points. Play the treasure map game. Wrapping up – label each wall with a direction. Ask a volunteer 'pirate' to stand at the front of the class and close their eyes. Hide 'treasure' under one child's seat. The pirate then opens their eyes and chooses children to direct them to the treasure. Children must give directions in French.	<u>Suggested Activity:</u> Resources Link: https://www.kapowprimary.com/subjects/french/upper-key-stage-2/year-5/french-speaking-world/lesson-2-where-in-the-world-is-french-spoken/ Start by revising colours – also complete unscramble activity in books. Use the map slides to look at which countries speak French. Look at the flags. Describe the flags and say each country's name in French orally.

LENT TERM 2

MFL – Year 5 – French Speaking World

LESSON 4	LESSON 5	LESSON 6
LEARNING INTENTION: To know that French is spoken all over the world. Disciplinary Knowledge: Name French speaking countries and recognise the flags of those countries. Aims: I can name different countries where French is spoken in the world. I can use directional vocabulary to locate a country. I can read a description and match it to a country or its symbol.	LEARNING INTENTION: To know that French-speaking countries are located in a variety of climate zones. Disciplinary Knowledge: - Identifying key geographical features of countries in the French speaking world. - Explain how climate varies in some French speaking countries. Aims: I can use ‘gisting’ skills to help me understand spoken French. I can interpret information from a chart or graph. I can recognise the language of comparison.	LEARNING INTENTION: To know that French-speaking countries are located in a variety of climate zones. Disciplinary Knowledge: - Identifying key geographical features of countries in the French speaking world. - Explain how climate varies in some French speaking countries. - Using a range of language detective strategies to decode new vocabulary including context and text type. Aims: I can use ‘gisting’ skills to help me understand spoken French. I can interpret information from a chart or graph. I can recognise the language of comparison.
Key Vocabulary: La Suisse – Switzerland L’Algérie – Algeria Le Luxembourg – Luxembourg La Tunisie – Tunisia Le Maroc – Morocco	Key Vocabulary: il fait chaud – it’s hot il fait froid – it’s cold il pleut – it rains la temperature est de ... degrés – the temperature is ... degrees	Key Vocabulary: il fait chaud – it’s hot il fait froid – it’s cold il pleut – it rains la temperature est de ... degrés – the temperature is ... degrees
Recap and Retrieval - France uses the Euro as their currency. - Masculine nouns use un. - Feminine nouns use une. - France, Canada, Belgium and some countries in Africa use French as their first language. - French is spoken all over the world. 		French speaking countries are located in a variety of climate zones.
Key Knowledge: Child: - French is spoken all over the world. Teacher: - The majority of countries that were part of the French empire still use French as their first language now.	Key Knowledge: Child: - French-speaking countries are located in a variety of climate zones. Teacher: - Recap climate zones and typical weather conditions.	Key Knowledge: Child: - French-speaking countries are located in a variety of climate zones. Teacher: - Recap climate zones and typical weather conditions.
<u>Suggested Activity:</u> Resources Link: https://www.kapowprimary.com/subjects/french/upper-key-stage-2/year-5/french-speaking-world/lesson-2-where-in-the-world-is-french-spoken/ Recap flags and countries in French. Children to complete map activity. On whiteboards to finish, use sentence builder. Children to write these in books if time.	<u>Suggested Activity:</u> Resources Link: https://www.kapowprimary.com/subjects/french/upper-key-stage-2/year-5/french-speaking-world/lesson-4-investigating-climate-in-the-french-speaking-world/ Clip for French weather forecast – explain to the children that they won’t understand every word but they should try and get a gist for what is being said. Beforehand, discuss what you might expect to see in a weather forecast and what you might expect to hear. Play the clip and then discuss whether they heard what they were expecting and what they understood.	<u>Suggested Activity:</u> Resources Link: https://www.kapowprimary.com/subjects/french/upper-key-stage-2/year-5/french-speaking-world/lesson-4-investigating-climate-in-the-french-speaking-world/ Recap map and climate in Anvers vs Antananarivo. Complete climate data quiz. Challenge – children create their own true or false questions. Mark together using the climate data slides.

	Look at climate data for Anvers and Antananarivo (look at these on the map). Discuss what the children are expecting from the climate in these places and why.
