

Welcome to Year 5!

A warm welcome to Year 5. Your teacher is Miss Willis and your TAs are Miss Cullum, Miss Barnes and Mrs Dodson.

PE
Every Wednesday

Key dates:

6.9.23 Term begins

8.9.23 Start of year Mass

20.10.23 End of term

To kickstart the year, our Geography topic will be **Investigating our World**. We will be learning how to use Ordnance Survey maps as well as learning how to use 6 figure grid references. We will also look at relative distances, different Climate Zones and contours. Finally, we will learn how to do some orienteering.

In RE, our topic is 'Ourselves'. We will learn about how we made in the likeness of God. It will also remind us of God's love for us and that we need to love and forgive others as Jesus loves and forgives us.

In Science, our focus strand is Physics. We will be learning all about Earth and Space. We will learn about the Solar System and the Moon. We will also learn about Katherine Johnson.

In Maths, children will focus on number and place value. We will learn numbers up to 1,000,000 and Roman Numerals to 1000. We will then focus on Addition and Subtraction where we will implement our new knowledge of place value to 1,000,000 in calculations.

Our class story this half term is 'Street Child' by Berlie Doherty. This story is set in the Victorian period and follows one families plight as they try to survive the tough conditions they find themselves in.

Please encourage your child to read for at least 10 minutes every day. Spellings and homework are sent home every Monday and due back in school on Friday. TT Rockstars log in's are inside reading diaries and homework books. Accessing this regularly will greatly help them in maths.
