

Welcome to our Lent Attendance Newsletter.

Welcome to our Easter Attendance Newsletter. It seems no time since I was writing the Christmas edition. We have much to celebrate as a school and attendance is one; please take time read through. However, there are still incidences of persistent lateness and low attendance in certain areas. Can I please remind you all that attendance in school is essential for the success of your child's educational future and their success in future life.

I have also included information from the NHS about hygiene.

<u>Mr. Joseph O'Connor</u> <u>Headteacher</u>

Congratulations

We have 31 children who have already achieved 100% attendance this year. This is brilliant.

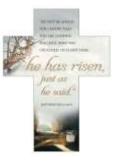

Keep it up – you're well on course to win a prize at the end of the year.

And to the 57 children who have achieved 100% this term. Well done.

Year 2 is our best attended class achieving 96.78% for the term. Well done everyone and let's see which will be the highest-class next term.

And sadly we've 27 children with an attendance below 90%. Remember a new term means a new start and you could be one of the 100% attenders next term.

<u>Lateness</u>

Lateness has improved this term with 67hours and 53mins minutes of lost learning: Being on time is really important because.

- Numeracy and literacy are taught at the beginning of the day. When a child arrives late they miss
- essential teaching given at the beginning of lessons in fact, arriving 5 minutes late each day adds up to missing 3 entire days of school by the end of the year!
- They don't have the social time to settle into class.
- Pupils feel awkward and embarrassed going into the classroom when everyone else is settled.
- When one person arrives late everyone loses out the class is disrupted, and the teacher must take time away from the other pupils to explain what is going on for the lesson.
- School starts at: 9:00am but we expect the children to be in school for 8.55am so they have time to hang their coats up take packed lunches to the trolleys and be ready to start learning at 9:00am.

What Lateness Means:		Reporting Absence	Term Time Holidays	
5 minutes late each day 10 minutes late each day 15 minutes	3 days lost 6.5 days lost 10 days lost	If your child isn't going to be in school it is your responsibility to inform school on each day of absence. Please do this by calling the school office on 01472 \$57982 before 9am. You can also email the school	There is a law which prevents Head Teachers from authorising term time holidays. There are 175 non-school days per year and for this reason Head Teachers can only approve term time leave of absence in exceptional circumstances.	
late each day 20 minutes late each day 30 minutes late each day	13 days lost 19 days lost or half a day each week	office at office@smp.nelcmail.co.uk or send a message on the Scholarpack app. (If you do not have the app and would like details on how to get it then please let the office know). Scholarpack APP.		
(Figures are calculated over one school year)		Please do not message on dojo. If you do not inform school, you may receive a visit from The Education Welfare Officer.	We have forms requesting leave of absence available in the office so if you do have an exceptional reason for missing school please complete a form and return it to the office as soon as possible.	
SCHOOL		In line with National Guidelines, the Education Welfare Officer may visit on the 3 rd day of any absence even if the absence is authorised. If there are ongoing concerns, they will visit on the first day If the absence continues, further visits will be made.	To help you plan these are the term dates for this year and next.

Medical Appointments

Whenever possible we would ask that you arrange medical appointments for your child after school or during the school holidays. We realise that this is not always possible so would ask that you bring proof of the appointment to the school office so the absence can be authorised. If the appointment is not first thing in the morning we ask that you bring your child into school so they can get their mark on the register, collect them for their appointment then bring them back to school afterwards.

Remember, here at St Marys: Every student matters, every moment counts
