

Year 2 Newsletter Pentecost 1

PE
EVERY
TUESDAY

Key dates:

12.4.24	Term begins
6.5.24	Bank Holiday
17.5.24	Cricket engagement day
24.5.24	End of term
3.6.24	Back to school

Our **Geography** topic this term is **Kenya**, where children will conduct a comparative study between Grimsby and this non-European country. Children will learn about Kenya's weather patterns and its location in relation to Grimsby. They will learn a number of facts about the African country and will be able to make comparisons between their physical and human geography.

In **RE** this term, children will understand why and how we pass messages on of good news in our **Spread the word** topic, followed by how rules can help us in school and at home in our **Rules** topic.

Spread the Word about Jesus

In **Art and Design** children will learn about sculptor Louise Bourgeois who was famous for large-scale art installations. Children will learn wire can be manipulated using different techniques and that solid forms can be added to wire frameworks. They will understand that sculpture can contain different visual elements.

In **Science** we are exploring **Plants**. Children will work scientifically by observing and recording the growth of a variety of plants as they change over time from seed or bulb. They will also complete a comparative test to show that plants need light and water to stay healthy.

In **Maths** we will finish our unit on **Measurement** and then begin our unit on **Fractions**. Please continue to use TTRockstars for multiplication and division practice at home.

In **English** our writing focus this term will be a **narrative from other cultures** and a **persuasion text** in the style of an advert.

Reading books and records to be sent in everyday please. Dojos awarded for 3 recorded 10 minute reads at home.

THANK YOU FOR READING OUR NEWSLETTER.
