Welcome back!

A warm welcome back to everybody and a very exciting welcome to our new Nursery and Reception pupils. We are so excited to see everyone after the summer break and hope that you spent lots of time relaxing! We have a whopping stack of brand new books to add to our library for the children to bring home this year and some exciting plans for Reading! Our hope is that every child will learn to love Reading.

How to Support Your Child at Home

Please ensure you are reading every night for at least 10 minutes with your child. While they are reading, you should ask them questions to check their understanding. It is also useful to read the same passage to your child before they read it, to show them how it should sound.
