Reading Updates

We have now appointed our new Reading Ambassadors and are waiting for our fancy sashes to arrive for them to wear in our Monday awards assemblies. We are also now awarding a certificate for Reading Stars each week who will get to take home a special Bedtime Bag each week to share with their family in the evenings. We also are appointing librarians to help keep the library tidy and organised, starting from next Friday. Keep an eye on dojo to see who!

How to Support Your Child at Home

Please ensure you are reading every night for at least 10 minutes with your child. While they are reading, you should ask them questions to check their understanding. It is also useful to read the same passage to your child before they read it, to show them how it should sound.
