

The Reading Corner

A monthly Reading round-up from Saint Mary's!

Home Reads Certificates

We are launching our home reads certificates this week as well. When your child reaches a certain milestone, they will receive a certificate in class to celebrate their effort.

Shout Out!

To our librarians, Rebeca-Maria and Daniel who have volunteered every lunchtime to try and get our library books all scanned in to our new library system and sorted into categories over the last few weeks!

Bedtime Bags

This week, we launched our exciting new Bedtime Bags for our Reading Stars. This bag will contain hot chocolate, some biscuits, a teddy, a book from the library, and a notebook to write your thoughts about the book you have read. Please ensure that these are returned each week by Friday with the teddy, notebook and library book inside to ensure everyone gets a fair chance to take one home.

How to Support Your Child at Home

Please ensure you are reading every night for at least 10 minutes with your child. While they are reading, you should ask them questions to check their understanding. It is also useful to read the same passage to your child before they read it, to show them how it should sound.
