Disability Equality Scheme and Disability Accessibility Plan for Pupils

Date	Review Date	Coordinator	Nominated Governor
Sept 2024	July 2025	Mrs M Steeper	Mrs Anit Joseph

We believe that we work hard to ensure that the culture and ethos of this school are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and treated one another with respect. This school provides pupils with the opportunity to experience, understand and value diversity.

In accordance with the planning duty in the Disability Discrimination Act 1995 and as amended by the SEN and Disability Act 2001 (SENDA) this policy and plan has been devised. It also draws on the guidance set out in "Accessing School: Planning to increase access to schools for disabled pupils" issued by the DFES in July 2002 and Public Sector Equality Duty Guidance for Schools in England.

We believe disability is:

'A person has a disability if he or she has a physical or mental impairment and the impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities. This means that in general the person must have an impairment that is either physical or mental; the impairment must have adverse effects which are substantial; the substantial adverse effects must be long-term; and the long-term substantial adverse effects must be effects on normal day-to-day activities.' (Equality Act 2010)

In September 2014 a duty came into force for governing bodies to ensure arrangements are in place in school to support pupils with medical conditions. The guidance includes statutory and non-statutory advice under the Children and Families Act 2014. The statutory guidance applies to all maintained schools, academies and free schools. It is accepted fully and used alongside the Special Educational Needs and Disability Code of Practice published in 2015.

Children and young people with medical conditions are entitled to a full education and have the same rights of admission to school as other children. This means that no child with a medical condition will be denied admission or prevented from taking up a place because arrangements for their medical condition have not been made. The governing body will ensure that arrangements are in place to ensure that such children can access and enjoy the same opportunities as any other child. (See Medical Needs Policy)

We have a duty to promote equality of opportunity, eliminate unlawful discrimination, eliminate disability related harassment, promote positive attitudes towards disabled people and encourage disabled people to participate in school life.

We believe it is our duty to prepare and publish a disability equality scheme that will outline accessibility to the school premises and its facilities, accessibility to the curriculum, accessibility of educational services, provision of training for school personnel and pupils

St. Mary's Catholic Primary Voluntary Academy

which result in improved outcomes for disabled pupils, parents/carers and school personnel in all aspects of school life.

We are proud of our ethos of support, collaboration and respect for one another. We strive to create a safe caring environment for all our pupils to experience success, happiness and excellence. All school users will benefit from the school's disability equality scheme as it will allow them to take full benefit of the opportunities that this school offers.

We are committed to providing a fully accessible environment which values and includes all pupils, school personnel, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

In response to the Access Audit undertaken by the Head Teacher we have in place an Accessibility Action Plan designed to increase the accessibility of provision for all pupils, staff and visitors to the school. The plan is as follows:
