

Nursery Newsletter

Advent 1

Our topic this half term is Let's Explore.

We will be learning all about the environment we share with others including homes, school and places in the local community.

Starting school for the first time can feel a little daunting, so during this first half term, we'll focus on getting to know each other. We'll spend time making friends, meeting our teachers, and learning about the school rules and routines. We'll also get comfortable in our new classroom. The children will learn through play and short group sessions, designed to help them build confidence and settle in.

Stories This Term

Please ensure all of your child's belongings are labelled with their names. Especially jumpers.

Your child will also need a set of spare clothes in school at all times.

In nursery, we'll explore numbers up to 3 through play and stories. With familiar tales like *The Three Little Pigs* and *Goldilocks* and the *Three Bears*, children will engage with the numbers 1, 2, and 3 in a fun and interactive way, helping to build their number recognition skills.

Thank you for reading our newsletter.

We're excited to meet and get to know all of the new children joining our nursery!
