

St Mary's Voluntary Academy Catholic Primary School

Pupil premium strategy statement

This statement details our school's use of pupil premium for the 2024 to 2025 academic year funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Saint Mary's Voluntary Academy Catholic Primary School
Number of pupils in school	238 (Including FS2) 200 (Excluding FS2)
Proportion (%) of pupil premium eligible pupils	38%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2023-2026
Date this statement was published	September 2024
Date on which it will be reviewed	September 2025
Statement authorised by	Mr Joseph O'Connor (HT) and Mrs Michelle Steeper (DHT)
Pupil premium lead	Mr Joseph O'Connor and Mrs Lisa Ballard
Governor / Trustee lead	Mrs Donna Green

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£132,447
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£132,447

Part A: Pupil premium strategy plan

Statement of intent – at the heart of our Mission Statement

“We value all in the name of Jesus the Christ”

St Mary's is a happy and vibrant school with a hard-working, enthusiastic and dedicated staff team. We have an established, experienced and outward thinking senior leadership team with a Catholic school ethos which places children at the forefront of our vision.

Our intent is focused on raising the attainment and aspirations of all our pupils, including our most vulnerable. This includes the progress and attainment of our higher achieve disadvantaged learners which form the intents for our 2024-2025 school development plan and subject implementation plans across the curriculum, for this academic year. It is our intent to use a tiered approach to ensure that all PP children achieve their full potential through quality first teaching, targeted academic support and wider strategies (EEF Guide to Pupil Premium September 2024).

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantaged attainment gap and at the same time benefit the non-disadvantaged children in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers, including our higher achieve pupil premium learners.

Our approach will be responsive to the common challenges and individual needs, rooted in robust diagnostic assessment. Common barriers to learning for disadvantaged children, can be less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no “one size fits all”.

Our ultimate objectives are:

- *To narrow the attainment gap between disadvantaged and non-disadvantaged pupils.*
- *For all disadvantaged pupils in school to make or exceed nationally expected progress rates.*
- *To support our children's health and well-being to enable them to access learning at an appropriate level.*

The approaches we have adopted will complement each other to help children excel. To ensure they are effective we will:

- *Ensure disadvantaged pupils are challenged in the work that they are set.*
- *Act early to intervene at the point need is identified.*
- *Adopt a whole school approach in which staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.*

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Low levels of Literacy – phonics, spelling, reading fluency and comprehension, writing composition. Assessments and observations indicate that the education and well-being of many of our disadvantaged pupils have been impacted by the Covid-19 Pandemic, to a greater extent than for other pupils. These findings are supported by national studies. This has resulted in significant knowledge gaps leading to pupils falling behind age-related expectations, especially in reading.
2	Language barriers – through limited vocabulary. Assessments, observations and discussions with pupils and families indicate underdeveloped oral language skills and vocabulary gaps among many disadvantaged pupils, particularly in EYFS/KS1.
3	Internal assessments that KS1 and 2 maths attainment among disadvantaged pupils is lower than that of their non-disadvantaged peers.
4	Catch up- remains an issue. Ongoing support needed to attain at the level they had been prior to the Covid-19 Pandemic. Children have missed vital experiences around well-being, socialisation, sharing personal care and independence.
5	Poor knowledge and understanding of the wider community and world. Curriculum Enrichment – Many of the families of pupils eligible for pupil premium find it difficult to provide money for visit and extra- curricular activities. Limited first-hand experiences to support language and knowledge and a lack of enrichment opportunities for real life experiences.

Challenge number	Detail of challenge – External Barriers
1	Home conditions – traumatic life experiences encountered regularly
2	Attendance and punctuality-due to troubled and unsettled home situations.
3	Mental well-being and anxiety – struggling to cope with life experiences and have a smooth transition from home life to school life; large number of attachment disorders

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p>1. Improved oral language skills and vocabulary amongst disadvantaged pupils. Increase in pupils making expected progress in Phonics.</p> <p>Improved oral language skills and vocabulary amongst disadvantaged pupils. For PP pupils to attain at least age-related expectations across the curriculum.</p> <p>Improved speech and language skills, with pupils having an increased vocabulary. To improve phonic levels of PP children in EYFS/KS1 (using progress from baseline July 2024).</p>	<ul style="list-style-type: none">• Narrowing the gap to reach expected National standard in Phonics screening□• 85% pass rate in phonics for Year 1 and Year 2 PP children.□• PP Pupils attain at least age-related expectations across the curriculum and make comparable progress to their peers□• Pupils improved comprehension skills.□• Pupils able to be more creative with their use of language in their writing. □• Pupils able to communicate more effectively between each other and adults. □• KS2 reading outcomes show that all disadvantaged pupils met the expected standard.□• Progress of PP readers matches or exceeds progress of non-PP readers□• KS2 reading outcomes show that all disadvantaged pupils met the expected standard.□• Progress of PP readers matches or exceeds progress of on-PP readers□

<p>2. To foster a love of reading throughout the school. Increase in pupils making expected progress in fluency of reading and comprehension skills.</p>	<ul style="list-style-type: none"> • Developed oral language skills and to minimise vocabulary gaps among many disadvantaged pupils, particularly in EYFS/KS1. • Pupils engaging with books and reading for pleasure; pupils using consistent reading strategies to improve retrieval and vocabulary knowledge. • Pupils reading frequency, and thus reading attainment improves significantly • Pupils read regularly and widely • Pupils are taught to master foundational reading skills efficiently and effectively • Pupils have access to a wide choice of developmentally appropriate texts • Pupil have time to peruse and choose books that interest them • Pupils have the opportunity to discuss what they have read and their book choices with an adult. Parents/carers take an active interest in their child's reading habits and promote reading at home • Story, poetry, rhyme and song are used in school to promote a love of reading
<p>3. Whole school writing attainment is above national and local averages.</p>	<ul style="list-style-type: none"> • Improved writing attainment for disadvantaged pupils • Writing outcomes in 2023-2024 show that the gap is closing gradually
<p>4. Increase in pupils making expected progress in number skills in Maths.</p>	<ul style="list-style-type: none"> • Pupils narrowing the gap to reach expected National standard in number and place value in Maths (in each year group) • Progress of PP mathematicians in FS2/KS1/KS2 matches or exceeds progress of non-PP mathematicians. • KS1 and KS2 math's outcomes show that all disadvantaged pupils meet the expected standard.
<p>5. To achieve and sustain improved well-being for all pupils in our school, particularly for our disadvantaged pupils; with a specific focus on links to Catholic Social Teaching and our school Virtues</p>	<ul style="list-style-type: none"> • Pupils using calming techniques to help them to remain in class to learn. Behaviours for learning improves attainment and progress • All staff to have accessed well-being practice training • Sustained high levels demonstrated by: • Qualitative data from student voice, student and parent surveys and teacher observations • A significant increase in participation in enrichment activities, particularly among disadvantaged pupils • Vulnerable families identified have access to required emotional and well- being support • Sustained high levels demonstrated by: • Pupils have the opportunity to engage in a wide range of curriculum enrichment activities: Forest Schools, IntoUniversity and Children Challenging Industry • Uptake of after school clubs is high, amongst those in receipt of PPF • Attendance of visits and curriculum enrichment opportunities are high • Children see the links between this aspect and Catholic Social Teaching and the Common Good

<p>6. To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils.</p>	<ul style="list-style-type: none"> • Raised awareness of attendance and the impact of low attendance on outcomes for children • Improved rates of attendance • There will be a consistently sharp focus by attendance leads on the attendance and punctuality of disadvantaged pupils • Attendance and punctuality of targeted pupils will improve
---	--

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention) **Budgeted cost: £**

Activity	Evidence that supports this approach	Challenge addressed	number(s)
<p>To implement a sustained program of CPD for staff in order to support high quality teaching. Including:</p> <ul style="list-style-type: none"> Phonics (RWI) Book Talk Accelerated reader Vocabulary Love of Reading Assessment Subject Leadership Network Meetings Cross school moderation Forest Schools Well-being Provide support for children with autism De-escalation of a child in crisis Behaviour strategies (Tom Bennett) 	<p>'The most effective way to improve pupil outcomes is to improve the quality of teaching. At the heart of raising standards of pupil attainment at St Mary's is quality first teaching – ensuring that all children receive the highest standards of instruction consistently. Therefore, we are committed to providing all of our staff with a sustained program of CPD, linked to school improvement goals, to support their professional development.</p> <p>The focus for CPD is directly informed by pupil progress data in order to ensure that CPD is targeted to meet the identified needs of target groups of children. RSHE Lead to implement well-being strategies across the whole school and in high quality teaching.</p> <p>Phonics approaches have a strong evidence base that indicates a positive impact on the accuracy of word reading (though not necessarily comprehension), particularly for disadvantaged pupils: Phonics Toolkit Strand Education Endowment Foundation EEF.</p> <p>Forest Schools program to develop myelinisation, which provides the foundation for brain connectivity and supports the emergence of cognitive and behavioural functions. In addition to this: life skills and real-life experiences.</p>	1,2,3,4 & 5	

Whole school training on Jason Wade continues to be implemented in writing scheme	Whole school approach to develop the writing in all age groups- development of language. There is a strong evidence base that suggests oral language interventions, including dialogic activities such as high-quality classroom discussion, are inexpensive to implement with high impacts on reading: Oral language interventions Toolkit Strand Education Endowment Foundation EEF	1,2,3
---	--	-------

Targeted academic support (for example, tutoring, one-to-one support structured interventions)
Budgeted cost: £ 35,000

Activity	Evidence that supports this approach	Challenge addressed	number(s)
Phonics Tutoring – All pupils who are below track phonics will receive daily 1-1 catch up tutoring sessions Enhancement of our teaching and curriculum planning in line with DfE and EEF guidance. We will draw on the fund release form the OLOL Trust for teacher release time to embed key elements of guidance in school and to access English Hub resources and CPD After school booster club.	The DfE approved phonics scheme, Read Write INC., that the school implements promote 1-1 tutoring as one of the most effective strategies to support children whose reading is below track to make accelerated progress. Oral language interventions can have a positive impact on pupils' language skills. Approaches that focus on speaking, listening and a combination of the two show positive impacts on attainment: Oral language interventions EEF (educationendowmentfoundation.org.uk) Tuition targeted at specific needs and knowledge gaps can be an effective method to support low attaining pupils or those falling behind, in small groups: Small group tuition Toolkit Strand Education Endowment Foundation EEF The EEF guidance is based on a range of the best available evidence: educationendowmentfoundation.org.uk/education-evidence/guidance-reports/literacy-ks-2 educationendowmentfoundation.org.uk/education-evidence/guidance-reports/literacy-ks-1	1,2,3,4	

<p>Maths</p> <p>Math's intervention programmes to close gap and increase progress/attainment of disadvantaged pupils.</p> <p>Pupil progress meetings to discuss attainment of disadvantaged children and to ensure they are challenged to reach their potential.</p> <p>Enhancement of our math's teaching and curriculum planning in line with DfE and EEF guidance.</p> <p>Math's training using the White Rose CPA approach.</p> <p>Trust network meetings for Math's lead</p> <p>Booster club.</p>	<p>The EEF guidance is based on a range of the best available evidence: educationendowmentfoundation.org.uk/education-evidence/guidance-reports/earlymaths</p> <p>1:1 intervention of post teaching maths to target all children Toolkit Strand Education Endowment Foundation EEF Teaching and Learning Toolkit and mastery Toolkit.</p> <p>After school booster club to close the gaps in learning.</p>	<p>1,2,3,4</p>
<p>Writing Intervention – Children identified as below track in writing will receive specific 1-1 and small group intervention sessions to support their progress (in relation to Jason Wade training).</p>	<p>Pupils will receive targeted intervention sessions, planned by their class teacher, to address writing targets resulting from diagnostic assessment. These sessions will include a broad use of vocabulary, to identify the language barriers and support their phonics and spelling. Recall and retention using precision teaching methods, to ensure over-learning is consistent.</p>	<p>1, 2,3</p>

Wider strategies (for example, related to attendance, behaviour, wellbeing) £25,000

Activity	Evidence that supports this approach	Challenge addressed number(s)
<p>Engagement with IntoUniversity, Children Challenging Industry and RWE Sofia Champs.</p> <p>Experiences are provided to broaden career prospects-linked to curriculum activities.</p> <p>Opportunities to include children of all abilities and disadvantaged.</p>	<p>This curriculum enrichment program is offered for no cost to all pupils in order to develop confidence, team work skills and independence. Over the past two year we have found that these skills then transfer to pupils learning behaviours in the classroom in turn supporting their attainment and progress.</p> <p>Increased offering of a range of high quality in school and extracurricular activities to boost wellbeing, attendance and aspiration. Activities will focus on building life skills such as confidence and resilience and socialising. Disadvantaged children will be encouraged and supported to attend breakfast club and extracurricular clubs.</p> <p>Increased confidence in children expressing their faith as a result of these lives out experiences and the links to the community they live and Catholic Social Teaching</p>	<p>5, 6</p>
<p>Subsidising visits and extra-curricular activities including:</p> <p>Additional experiences are provided to broaden first-hand language and knowledge. Funding contribution given for all PP disadvantaged children.</p>	<p>Subsidising the cost of visits and extra-curricular activities for pupils eligible for pupil premium increase uptake and access to these opportunities</p> <p>educationendowmentfoundation.org.uk/educationevidence/teaching-learningtoolkit/extending-school-time</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/behaviour-interventions</p> <p>Children attend retreats and Religious events to enhance their moral spiritual and social life.</p>	<p>5,6</p>

<ul style="list-style-type: none"> • Football club • Sports Club • Dance club • Gardening club • Gymnastics club • Basketball club • Booster club • Lego and Hama bead club • Debate club 	<p>This funding is also used to support pupils with attending higher cost, residential trips such as the Briars in Year 6</p> <p>Religious Experience and faith development for all</p>	<p>5,6</p>
<p>Embedding principles of good practice set out in the DfE's Improving School Attendance advice. This will involve training and release time for staff to develop and implement new procedures</p> <p>Attendance – Investing in reward systems to help promote high standards of attendance:</p> <ul style="list-style-type: none"> • Attendance Trophy • Attendance Certificate • Half-termly prize draw • Parents Leaflets • Parent Letters • Parents invited to celebration assembly • Parent Meetings <p>Contingency fund for acute issues.</p>	<p>High attendance is an essentially pre-requisite of high standards of attainment and progress</p> <p>The DfE guidance has been informed by engagement with schools that have significantly reduced levels of absence and persistent absence. gov.uk/government/publications /school-attendance</p> <p>Based on our experiences and those of similar schools to ours, we have identified a need to set a small amount of funding aside to respond quickly to needs that have not yet been identified.</p>	<p>1,2,3,4,5</p>

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

End of Key Stage Data Comparing School PP with LA and National Data

	National PP	North East Lincolnshire PP	St Mary's PP	Non-Pupil Premium	2023/2024 Gap (PP/NPP)
GLD	68	55	38	71	-33
Phonics Yr 1	80	84	57	85	-27
Phonics Yr 2	89	65	63	79	-16
KS1 Reading	54	54	44	47	-3
KS1 Writing	45	48	43	50	7
KS1 Maths	56	57	50	50	0
KS2 Reading	60	54	44	47	-3
KS2 Writing	58	53	43	50	7
KS2 Maths	59	57	50	50	0
KS2 SPAG	59	65	43	47	4
Year 4 MTC	20.6	18.3	19	21	3

Below details the impact that our pupil premium activity had on pupils in the 2023-2024 academic year:

End of Key Stage Data Comparing School PP with LA and National Data

	National PP	North East Lincolnshire PP	St Mary's PP	Non-Pupil Premium	2023-204 Gap (PP/NPP)
GLD	52%	55%	88%	63%	+25
Phonics Yr 1	69%	70%	93%	100%	-7
Year 4 MTC	18.0	20.7	20.0	22.3	-2.3
KS2 Reading	63%	59%	69%	82%	-13
KS2 Writing	59%	58%	69%	73%	-4
KS2 Maths	59%	60%	62%	91%	-29
KS2 SPAG	70%	68%	77%	82%	-5

ARE in most areas, increasing when comparing data July 2024 and July 2025.

Attendance of Pupil Premium Learners

There has also been a significant impact on attendance of PP learners during 2023-2204.

Academic Year	Pupil Premium Children	Non Pupil Premium	Gap between PP/NPP
2023-2024	95.32%	95.02%	0.3
2022-2023	93.3%	92..5%	0.8

PP attendance has remained consistent when comparing the two-year trend and has risen by +2.02.

The gap between PP and non-PP children has also reduced by 0.5.
