

The Reading Corner

A monthly Reading round-up from Saint Mary's!

Accelerated Reader

We are launching our new reading comprehension program with lots of rewards in place! Children will have a book with a ZPD code inside that they can complete a quiz on at school once they have finished reading it. When each class reaches certain milestones of the amount of words they have read as a class in total, they will receive whole class rewards. You can help your child by reading with them at home lots!

World Book Day

On 6th March, we will be celebrating World Book Day!

Children are invited to come dressed as their favourite book character or in their pyjamas.

We would love to see your pictures of the children reading in unusual places and if you are feeling artsy, you could even make a story box!

How to Support Your Child at Home

Please ensure you are reading every night for at least 10 minutes with your child. While they are reading, you should ask them questions to check their understanding. It is also useful to read the same passage to your child before they read it, to show them how it should sound.
