

Year 3 Newsletter Lent 1

HAPPY NEW YEAR!

PE
EVERY
FRIDAY

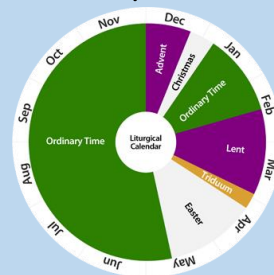

Our **Geography** topic this half term is **Volcanoes and Earthquakes**. We will learn about what causes these natural disasters and how they affect the local area.

The children will discover where volcanoes are usually found and explore the different types of volcanoes.

In **Art** the main focus will be painting. The children are going to be exploring the work of Leonid Afremov and his impressionism art style. They will learn about different strokes and how colour and light affect the mood of a painting.

In **RE** this term we begin with exploring the **JOURNEY** that a Christian participates in over the liturgical year. Next, the children will understand the importance of being part of a Catholic community in our **LISTENING & SHARING** topic.

In **Science** we are investigating **Animals including humans**. In our **Biology** topic we will be learning all about the skeleton. We will learn about muscles, bones and joints and how these work together to move our bodies.

In **Maths** we will be continuing to develop our **Multiplication and Division** skills and start to deepen our understanding of our new 3, 4 and 8 times tables. Later we will start our **length and perimeter** topic.

In **English** our writing focus this term will be a **recount** in the style of a diary followed by **instructions**.

Reading books and records to be sent in everyday please. Homework to be returned by Friday.

THANK YOU FOR READING OUR NEWSLETTER.
