Our **History** topic this half term is **Medieval and Tudor Grimsby**, which is part of our local history topic.

We will be learning about the plague, religious houses, and about government, mayors and the Town Hall.

In **RE** this half term we continue learning about **Listening and Sharing**, where we learn about the Eucharist prayer and Communion and how Jesus gives himself for us. In our **Giving All** topic, we learn about Lent, the Resurrection story and how Jesus' total giving for us all.

In **Design and Technology** the main focus will be **Mechanisms**. The children are going to be exploring how cams work, learning about automaton toys, and then designing, making and evaluation their own automaton, using different cams.

In **Science** we are investigating **Animals including humans** In our Biology topic this half term, we will be learning all about nutrition and healthy eating.

In **Maths** we will be continuing to develop our learning about **Fractions** (comparing and ordering fractions and finding equivalent fractions), **Mass** (grams and kilograms) and **Capacity** (litres and millilitres).

In **English** our writing focus this term will be narrative (myths and legends).

Reading books and records to be sent in everyday please. Homework to be returned by Friday.

THANK YOU FOR READING OUR NEWSLETTER.
