

# Welcome to Year 5!

A warm welcome to Year 5 from Miss Willis and Miss Barnes!

PE is every Wednesday.

Homework is due in on a Friday – Spellings and Times Tables.

## Key dates:

04.09.2024 Term begins

08.09.2024 Education Sunday –  
12pm mass at school

13.09.2024 Mass at St Mary's  
Church

18.10.2024 Term ends

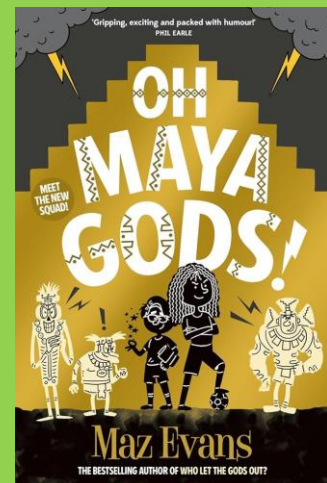

To kickstart the year, our Geography topic will be Investigating our World. We will be learning how to use Ordnance Survey maps as well as learning how to use six figure grid references. We will also look at relative distances, different climate zones and contours. Finally, we will learn how to do some orienteering.

In RE, our topic is 'Ourselves'. We will learn about how we are made in the likeness of God. It will also remind us of God's love for us and that we need to love and forgive others as Jesus loves and forgives us.

In Science, our focus strand is Physics. We will be learning all about the Earth and Space. We will learn about the Solar System and the Moon. We will also learn about a scientist who had a significant influence on this area of Science, Katherine Johnson.

In Maths, we will focus on number and place value. We will learn numbers up to 1,000,000 and Roman Numeral to 1000. We will then focus on Addition and Subtraction where we will implement our new knowledge in calculations using numbers to 1,000,000.

In preparation for our History topic next half term, we will be reading Oh Maya Gods by Maz Evans as our Class story this term.

Please encourage your child to read for at least 10 minutes every day. Spellings and homework are sent home every Monday. TT Rockstars log in's are inside reading diaries and homework books. Accessing this regularly will greatly help them in maths.
