

Nursery Class Newsletter

Advent 1 2025/2026

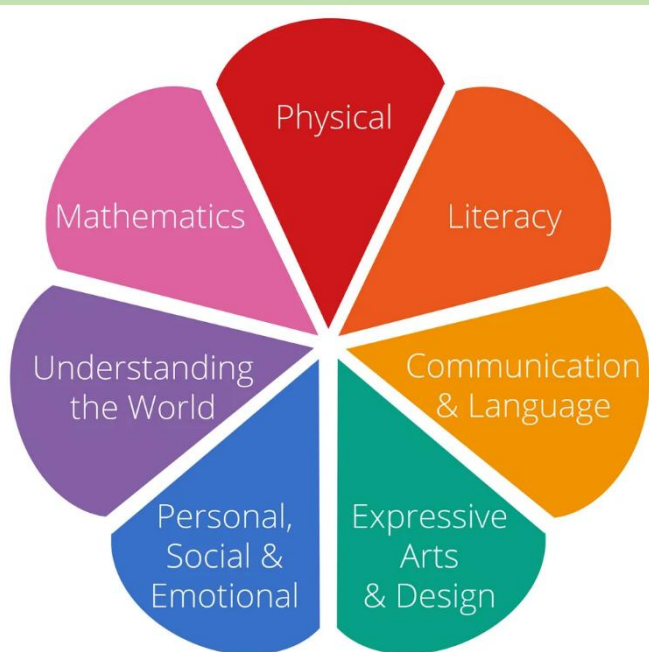

Our topic this half term is called "All our welcome here" we will learn about ourselves and how each of us are different but we respect one another.

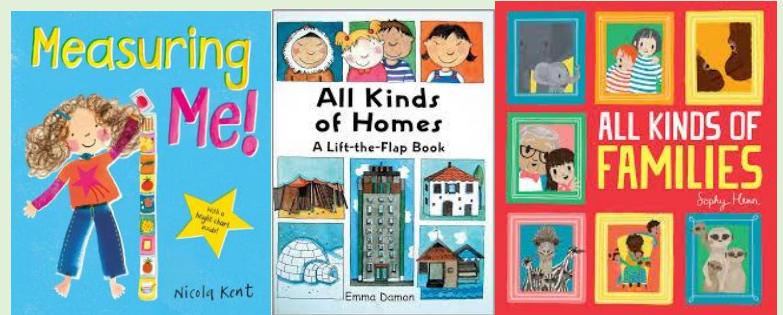

Starting school for the first time can be a bit scary so we will be spending this first half term getting to know each other. We will be working on making friends and getting to know our teachers. We will be learning the school rules and routines and getting used to our new classroom. Children will learn through play enhanced by adult led activities.

The Early Years Foundation Stage Curriculum overview

Our Stories this half term

In Nursery this half term we will be working on becoming confident with new adults, new friends and a new school, we will be developing our speech and children will be encouraged to share their thoughts and ideas and we will be supporting each other to become more independent when dressing and using the toilet. We will also listen to a selection of stories, we will look at patterns and sort objects and shapes, we will learn all about the places we live and the people in our community and explore how we can create art work using different materials.

Thank you for reading our newsletter, if you have any questions please send Mrs Williamson or Mrs Sadler a message on Class dojo and we will be happy to do our best to help.
