

Nursery Class Newsletter

Lent 2 2025/2026

ST. MARY'S
Catholic Primary Voluntary Academy

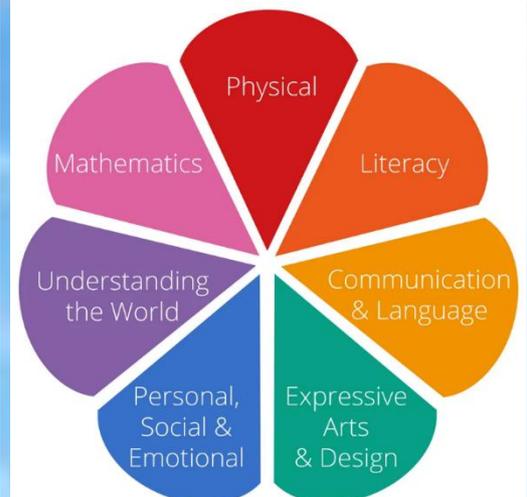

Our topic this half term is called "Drip, Drip, Drop" where we will learn all about the weather and colours.

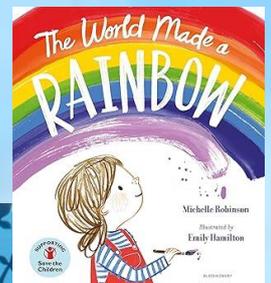

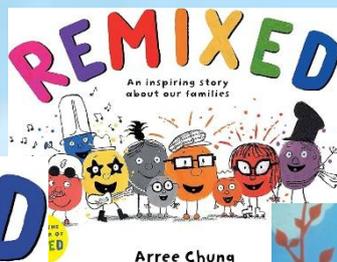

We will be exploring what happens when we finally move from winter to spring. We will be monitoring the daily weather and see what happens when the sunshine and rain mix. We will investigate what we need to do to keep dry, warm and cool. We will also investigate what happens when colours mix and look at how we can use colours to explain how we are feeling.

The Early Years Foundation Stage Curriculum overview

In Nursery this half term we will *finding appropriate ways to express our feelings* and we will be *using talk to organise ourselves and others in play*. We will be *showing increasing control in cutting, threading, drawing and pre-writing* and we will also be *beginning to write letters from their names*. We will also be *exploring 3D and 2D shapes*. We will observe changes to the weather and explore the life cycles on plants and animals = and *begin to use a mixture of materials to create art*.

Our Stories This Half Term

Thank you for reading our newsletter, if you have any questions please send Mrs Williamson or Mrs Sadler a message on Class dojo and we will be happy to do our best to help.
